

Appl. No.: 10/638,175  
Amdt. Dated: 20 February 2006  
Reply to Office Action mailed 12/05/2005

**Remarks/Arguments**

**Specification**

In the Office Action mailed 12/05/2005 the Examiner has required deletion of the phrases "or the like" and "cloth-like". The Abstract has accordingly been amended herein.

Rejections under 35 U.S.C. 112 - Claims 1-11 are rejected as indefinite in view of the phrase "cloth-like" in the three independent claims. Applicant's claims have been amended to delete this phrase and as amended are believed free of this rejection.

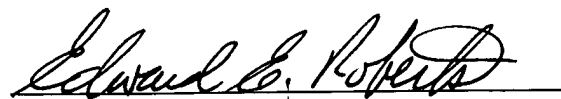

Rejections under 35 U.S.C. 102 - The Examiner has rejected claims 1-11 under 35 U.S.C. 102(e) as being anticipated by Everett (U.S. Patent 6,886,839), and directs attention to Figures 6-7 and the specification thereof. It is thus seen that Everett '839 is relied upon only to show the collapsible framework of a stroller. Applicant's claims 1-11 have been amended and new claim 12 to recite only that the stroller frame is collapsible and has opposing sides from which the seat is suspended. It is thus submitted that claims 1-12 are free of rejection under 35 U.S.C. 102. It is further submitted that the claims are free of rejection under 35 U.S.C. 103 inasmuch as Everett '839 does not teach or suggest a seat for a stroller, much less applicants claimed seat for a collapsible stroller.

**Summary**

The claims remaining in the case, that is, claims 1-11 have been amended, directly or indirectly, and new claim 12 has been added, in accordance with the above discussion,. It is respectfully requested that the Examiner's rejections be reconsidered, the claims allowed, and the case passed to issue. Further, it is hereby certified that this Amendment is being deposited with the United States Postal Service, postage prepaid, in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on 20 February 2006.
